Principal Investigator: Sebastian Hillenbrand

We are asking you to participate in a voluntary research study. This form will give you some information about the study.

A. Project Description

1. In this study, participants will be asked to participate in a survey.
2. The estimated time to complete this study is approximately 5 to 10 minutes.
3. The research is being conducted with the goal of publication in academic journals and presentation at academic conferences.

B. Risks and Benefits

1. Your participation in this study does not involve any physical risk or emotional risk to you beyond the risks of daily life.
2. You have the right to withdraw your consent or discontinue participation at any time for any reason. Your decision to withdraw will not involve any penalty or loss of benefits to which you are entitled.
3. The potential benefit of the study is a better understanding of how monetary policy affects asset prices.

C. Compensation

There is no compensation in this study.

D. Confidentiality

You will have the option of including your email but it is voluntary. It will never be attached to your answers. All data collected will be analyzed in aggregate form. Your privacy will be maintained in all published and written data resulting from this study. Your email or other identifying information will not be used in our reports or published papers.

E. Contacts

If you have any questions or concerns about this study, you may contact Sebastian Hillenbrand at shillenbrand@hbs.edu.

F. Subject rights

Participation in this study is voluntary, and you are free to leave the study at any time without penalty.
